# LED Light Bars

## with BoardFree Technology

### Options

- Versatile Mounting Options
- Single color options
- Custom optics

### Rated IP67

- 9-16 DC Voltage
- 56-100 Lumens
- Multiple Color Options

### Designed with Durability in Mind

- Fully sealed electronics
- Shock and vibration resistant
- Corrosion resistant
- Advanced thermal management

## LED Light Bars.

Our LED light bars offers the versatility and design flexibility to fit many lighting applications. From motorcycles, ATVs, boats, heavy equipment, landscaping and hardscaping, there are countless ways this durable light may be used.

# LED Light Bar ▪ Details

## Styles

### LED Task Light Bar

- 11-16 DC Voltage
- 62mm x 24mm
- 5000K LED cool white

### Flat Optic Light Bar

- 9-16 DC Voltage
- 80mm x 20mm
- 4000K LED cool white

### Flood Optic Light Bar

- 9-16 DC Voltage
- 80mm x 20mm
- 4000K LED cool white

### Blue Light Bar

- 10-14V DC Voltage
- 80mm x 20mm
- Blue LED

### License Plate Light Bar

- 9-16 DC Voltage
- 80mm x 20mm
- 4000K LED cool white

### Directional Optic Light Bar

- 9-16 DC Voltage
- 80mm x 20mm
- 4000K LED cool white

### 6 LED Work Light

- 9-16 DC Voltage
- 148mm x 25mm
- Integrated heatsink
- 6500K LED cool white
